

The SMC Sweepstakes Sweepstakes

Objective: To promote activity in and maximize the SMC scores submitted to the ARRL Sweepstakes.

Dates: Runs in conjunction with the ARRL Sweepstakes. The 2014 dates are the first full weekend in November (November 1-3 2014) for CW and the third full weekend in November (November 15-17, 2014) for Phone. Contest Period: Begins 2100 UTC Saturday and runs through 0259 UTC Monday.

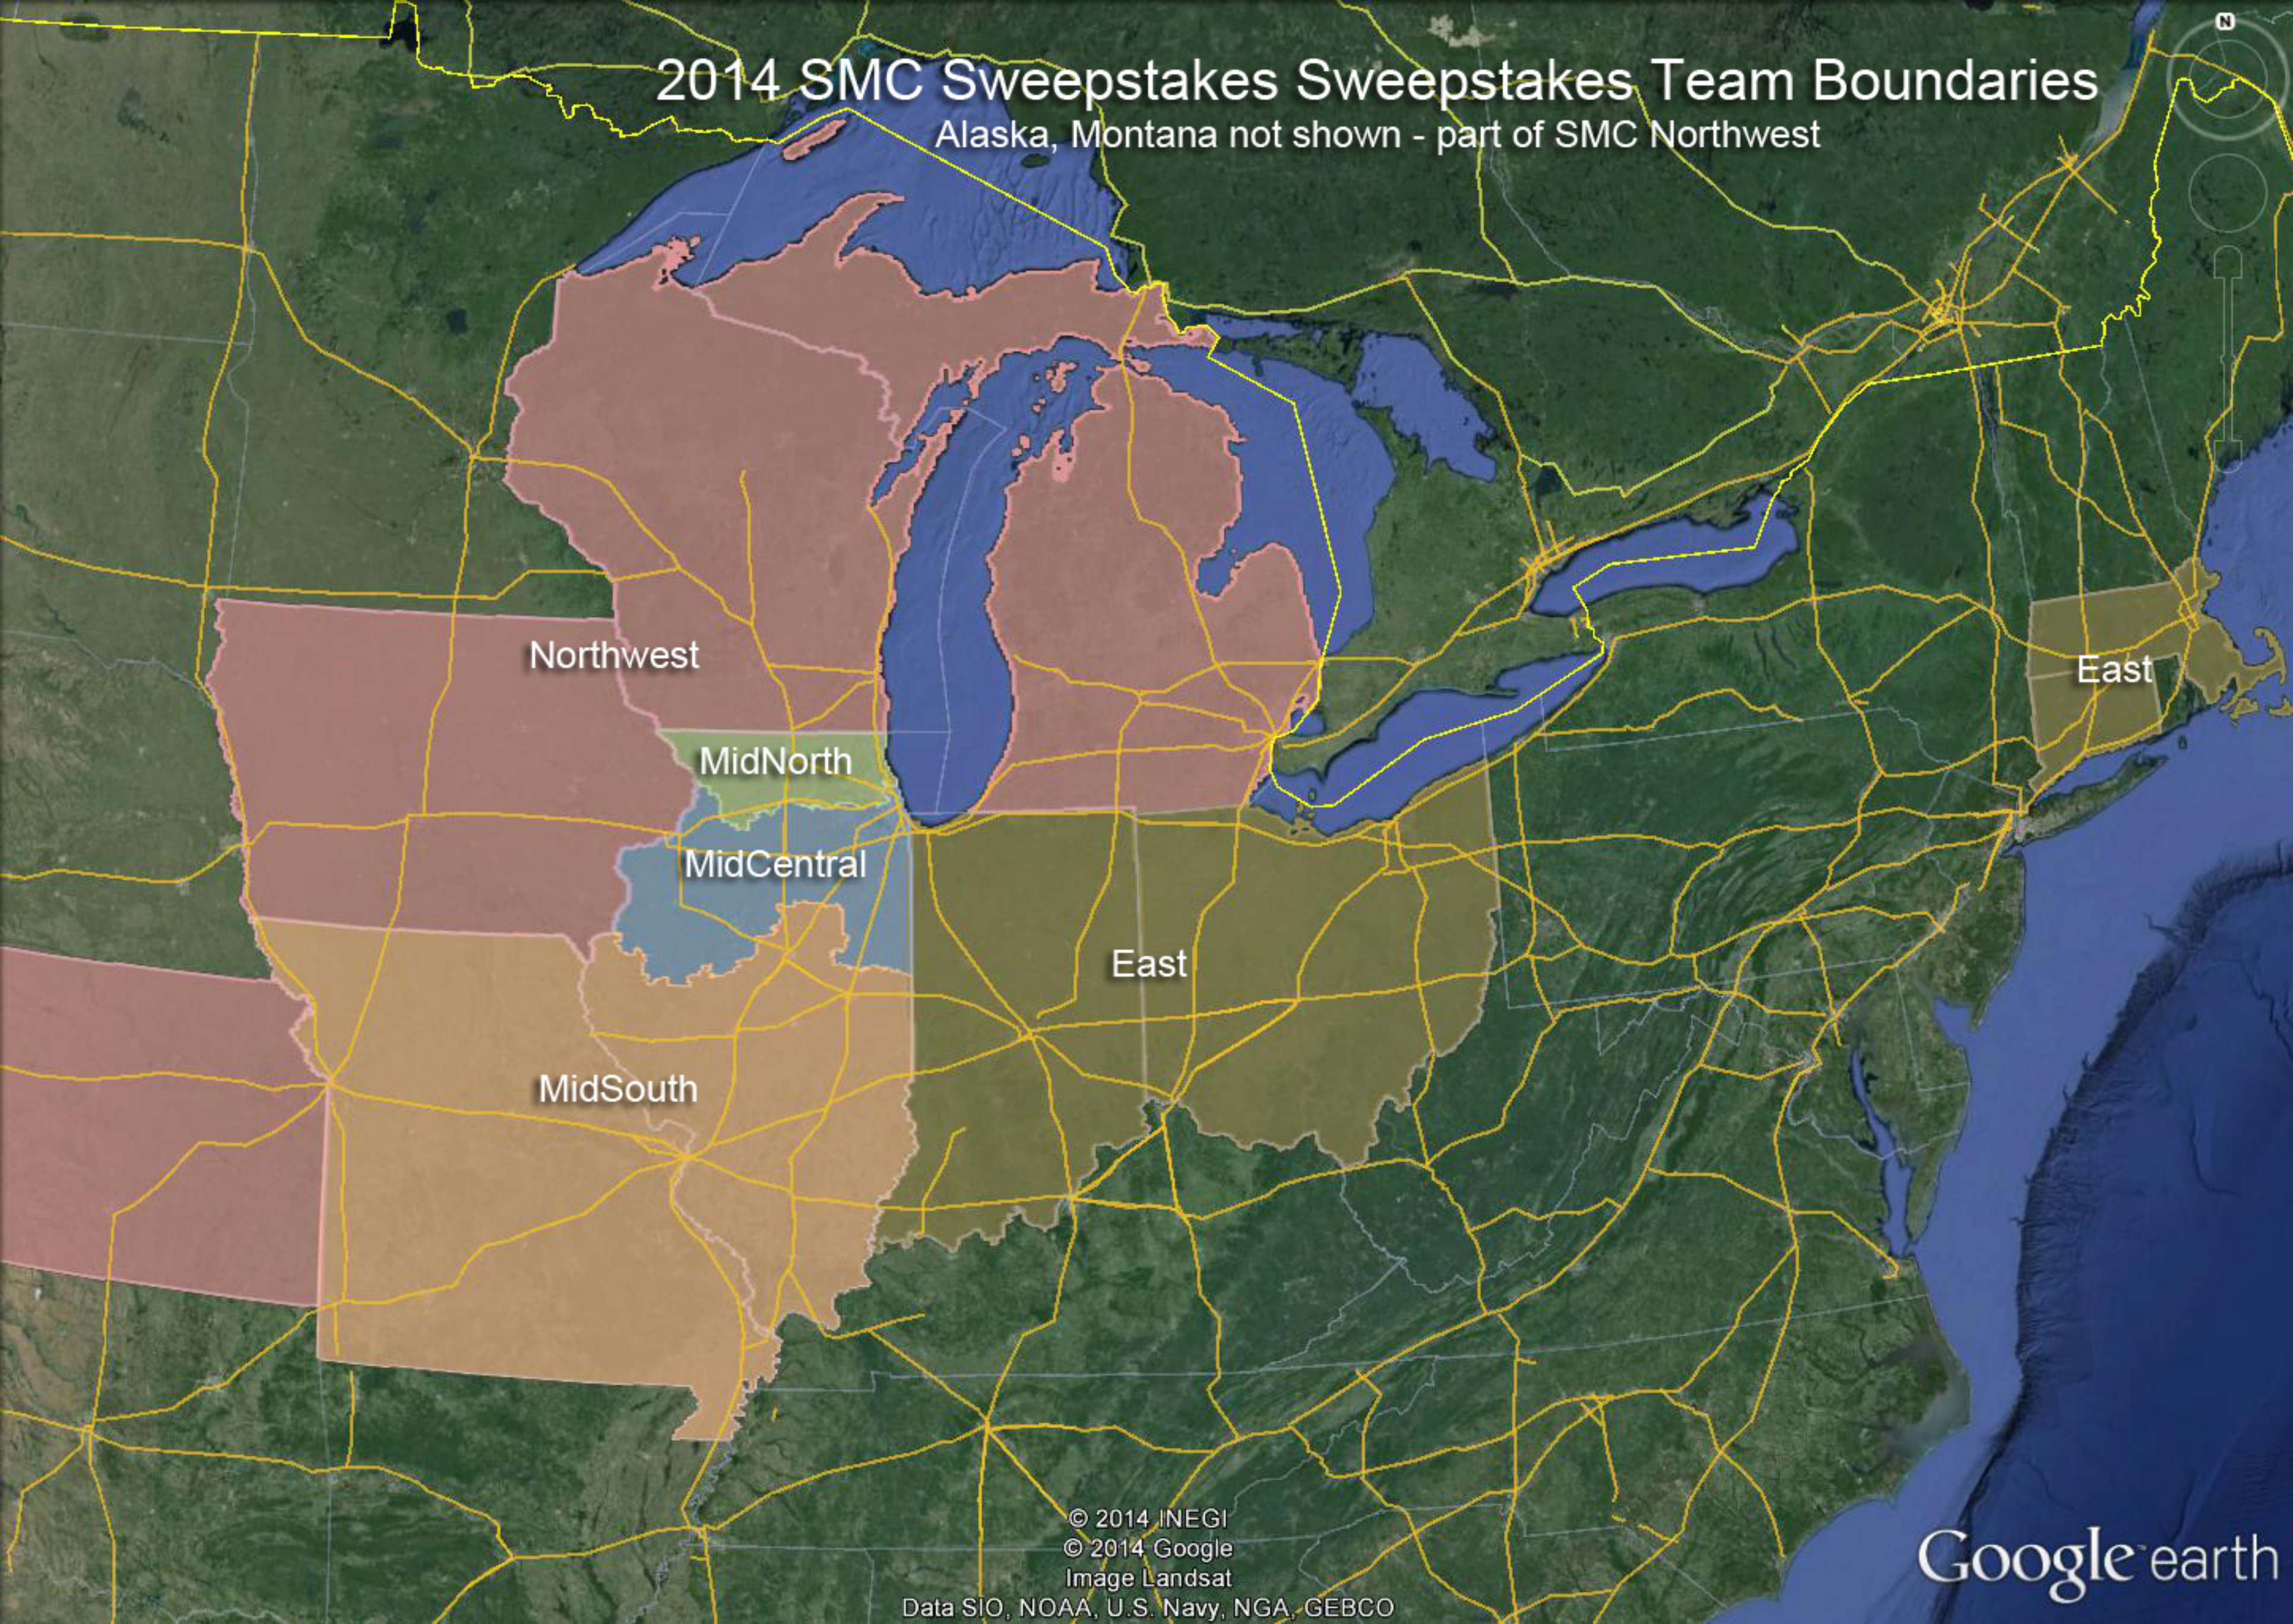

Teams: All SMC members will be assigned to one of 5 geographically-based teams per the member's zip code. Team assignment will reflect the operator's home zip code in the event a member operates at a station other than his/her own station. Multi-op scores will be based on the host station's zip code. Although scores submitted to the ARRL must come from stations within "the circle" to count as an SMC submission for the ARRL contest club competition, a station need not be located within "the circle" to participate in the SMC Sweepstakes Sweepstakes.

Scoring: Scoring will be based on claimed scores and logs must be submitted to the ARRL. Stations within "the circle" must list "Society of Midwest Contesters" as their club affiliation in order for the score to count in the SMC Sweepstakes Sweepstakes. Scores must be submitted by the score deadline as established by the ARRL. For 2014, this deadline is 15 days after the end of each contest period. Each team's score will be the sum of all team member claimed scores from the CW contest multiplied by the number of CW logs submitted, plus the sum of all team member claimed scores from the Phone contest multiplied by the number of Phone logs submitted.

Awards: Certificates will be awarded to the members of the winning team along with recognition on the SMC web site and full bragging rights.
