Contest Notes ---

- Was named January VHF Sweepstakes from 1948 until 2013, when it became known as January VHF Contest
- ... VHF Marathons & Relays from 1920's through 1947 were usually low-key events with few if any rules
- ... VHF Sweeps was intended to act as a counterpart to the HF Sweeps and a replacement for VHF Marathons
- ... Only VHF contest to have club competition since its inception in 1948
 - ... club comp split into U, M, L in 1979 (all records prior to 1979 now considered U)
- ... Initially, SO was the only class
- ... People began reporting as M's as early as 1950, with M class starting around 1954
- ... QRP started in 1989 and was renamed SO Portable after 2000, but with no major changes in the class
- ... Mobile activity had been occurring going back to the section years, to activate new or rare multipliers
 - ... was treated as a separate entry for each grid or section visited, with SO, MO, and QRP all possible
 - ... R started in 1991 as a separate class, with one entry for all grids visited
 - ... RL and RU added in 2008, with prior records being considered R
- ... After 1991, M was split into M-U for multi-unlimited; and then M-L for Multi-limited
 - ... prior scores now considered as M-U
- ... After 2000, SO was split into A for SOLP, and B for SOHP
 - ... All SO scores now treated as SOHP
- ... SO 3B started in 2013 as three bands SO
- ... SO FM stated in 2013 as FM only for SO
- ... Assistance in the SO was allowed in 2015 as UL and UH
 - ... but may be for only one year, as ARRL has now authorized assistance for all classes
- ... All 5 sections within SMC service area have been reviewed for top scores in each op class going back to 1948
 - ... Rules change from section mults to grid squares occurred in 1985
 - ... Exclamation points after section scores indicate pre-grid top scores (with vastly different scoring methods)

Club Competition Notes ---

All SMC entries have been in Medium club category

.... SMC started in 1985, but did not have 3 entries until 1995

... **blue highlights are record highs**

Ill-Wind Contesters formed 1977 ...

... Ill-Wind members then formed SMC in 1985 ...

... no other VHF club competition of Ill-Wind Contesters noted
