W9SZ	12,607	2015
W9SNR	12,547	2011
K9PW	9,420	2011
W9SNR	7,025	2014

Contest Notes ---

- ... Contest started in 1986; Initially, SO only
- ... Above 10G was started as a separate category in 1996
- ... Only ARRL contest to use distance points
- ... And only contest allowing scheduling during the event
- ... Two weekend contest, in August and September, with cumulative point totals
- ... Scoring is also interesting --- Unique call signs * 100 + dx of Q's in km
- ... No club competition
- ... No separate section references, only radio district; so no section top scores available
